DEDICATION

The pleasure of working, the dignity of simplicity, the worth of a person and character, the power of kindness, the influence of example, the obligation of duty, the wisdom of economy, the virtue of patience, the improvement of talent, and the joy of originating are the motivating factors that move the world of this person that we love.

Because of his love for Hillside, students, and all mankind, and because of our love for him, We, the Senior Class of 1972, dedicate the 1972 Hornet to Coach Carl "Bear" Easterling.

The Future

Many years have passed and there are many memories of the Senior Class of 1972. There are good and bad memories but they are in the past and the present is much at hand. Through my most beautiful crystal ball I can see and communicate with people all over the world; therefore. I am able to see that the class of 1972 has really been making progress. The things I see may be quite unusual, but I must proceed to tell what I see.

A very outstanding Boutique in New York City is being run by **Vernessa Alston** and **Danita Thomas**. They carry all of the latest fashions. **Vicinthia Allgood** and **William Ballentine** are married and still living in Durham. **Valerie Ballard** is a Professor of Shorthand at Howard University. As I move on I see that **Joseph Adams** is doing some research in the Blue Ridge Mountains. **Valencia Woodward** and **Bryson Boston** are now married and living warmly in Alaska, while **Willie Bell** is doing some Social Work in Russia with his seeing eye, **Brenda Hamm**.

Moving on, we see that **Kirk Brewer** has a reason to wear his red shirt because he now owns the Red Shirt Manufacturing Company. **Eddie Romes**, **Jane Gunn**, and **Willie Alston** are professional artists for museums. Our two famous Bachelors, **Niguel Barnes** and **Ennis Squires**, are still cut buddies and vacationing on the Piedmont Plateau. **Joel Boyette**, **James Evans** and **Michael Ray Jones** are faithful members of Alcoholics Anonymous.

In Great Britain we see that **Lizzette Tapp** and **Charles Graham** are competing for the heavy-weight championship of the world. We are told by news reporter **Terry Hayes** that Lizzette is a sure winner. **DeEdgra Fozard** is now Cover Girl for Glamour Magazine, while **Kathy Miller** is doing Dog Food Commercials for NBC. **Narell Council** now owns a sheep herd so she can manufacture her own wool coats and midis. We are told that **Deborah Scarborough** and **John Lucas** are doing team work telling jokes at the Little Rock, Arkansas County Fair weekly and The Ted Mack Comedy Hour on weekends. **Velma Johnson** go-go dances nightly to the melodious tunes sung by **Brenda Smith** at a Girl Club near the Panama Canal Zone.

On a lonely road between Boise, Idaho and Topeka, Kansas we see that **John Horton's** same black and white mercury has run out of gas and is being pushed to the nearest gas station by **John Horton**, **Roy Smith** and **James "Minnesota" Woods**. **Mary Joyner** is now appearing on her new series "Gidget", while **Rosetta White** and **Alfonza Toler** are appearing in "The Odd Couple." **Esther Pegram** is doing teamwork with Flip Wilson on their new Comedy Hour. In the bright lights of California, we see that **Julius Scott** is appearing in the Lone Ranger wearing the same boots he wore during the summer of '72. Moving on we see that **Darvin Ezell** is replacing Tarzan in the Wild Man Series.

Gloria Anderson finally has a chance to wear her army jacket. She has just joined the WAC, **Dianne Mitchell** has finally made it as a resident of New York City, although it was hard for her to leave Marylands Shoe Store in Durham. **Katrina Sanford**, **Connie McNeil** and **Brenda Rogers** have been sent to the moon permanently with a supply of orange flavored Tang. **Deloris McNeil**, **Gloria Huggins** and **Jackie Hill** will join them if any new flavors of Tang develop while they are on the moon.

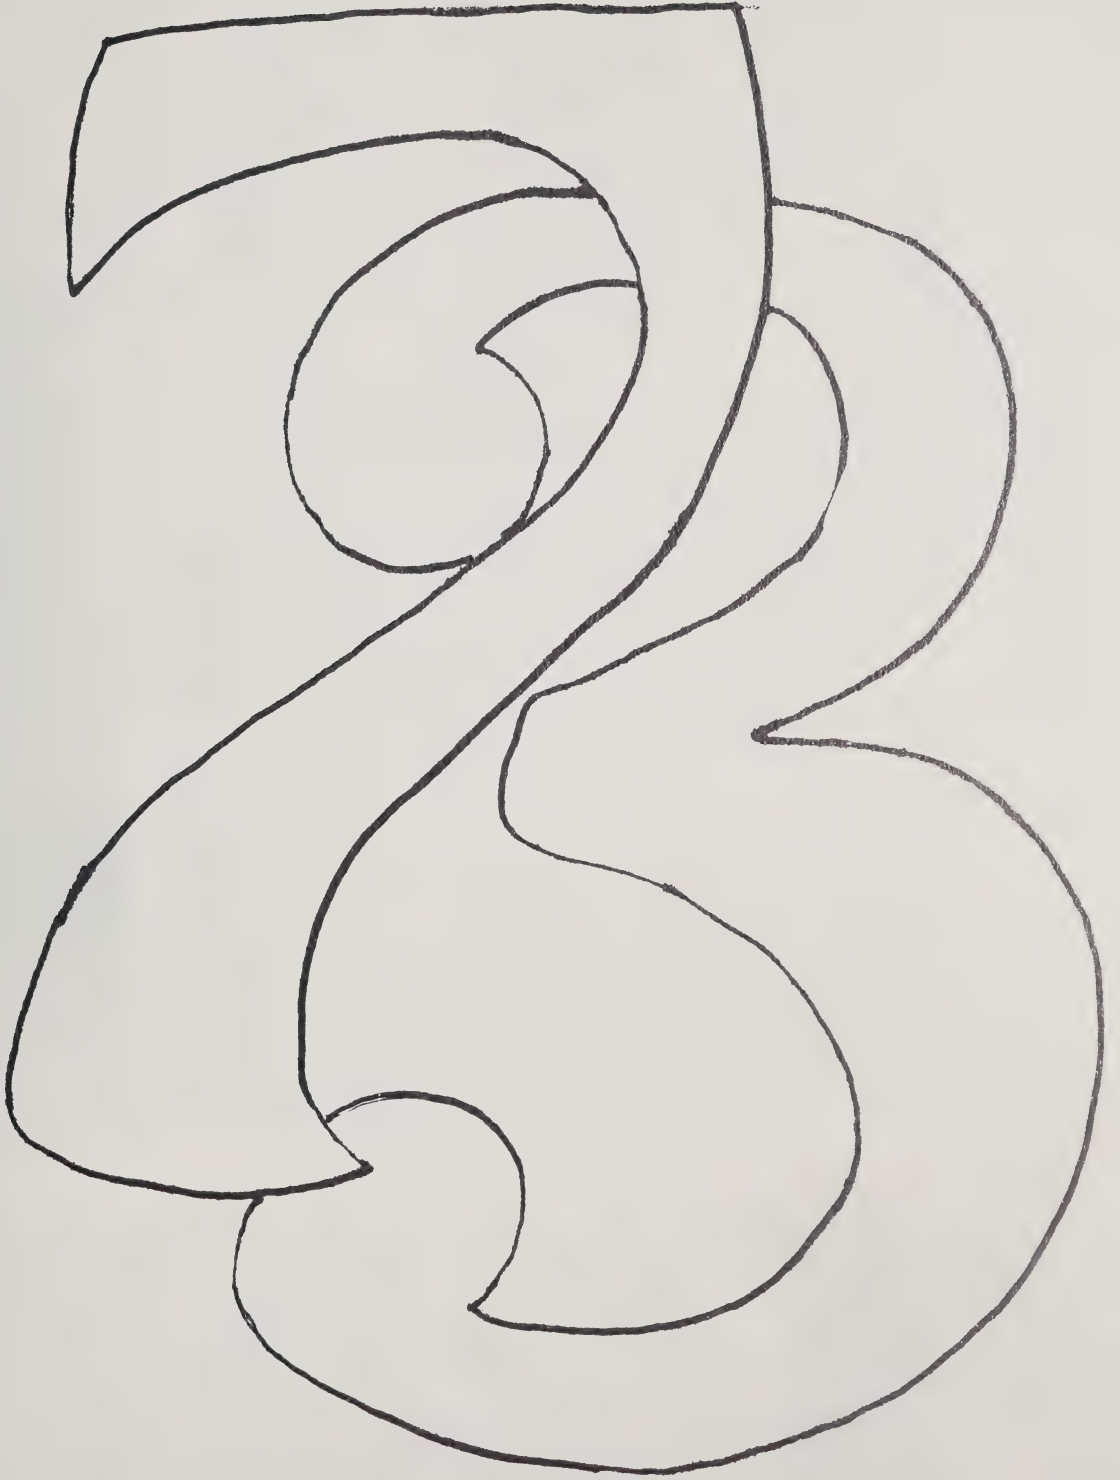

As the crystal ball turns, I see that **Constance Farrar** is heading up the Black Panther Party while **Audrey Kee** has a seat in Congress. **Deborah McCrae** has finally changed her middle name.

The crystal ball shows clearly that **Brenda Ford** is a lawyer. She is now in court, fussing with a judge she has never seen before. **Burly Page**, **Kenneth Hughes**, **Gregory Little**, **Bobby Douglas** and **Carl McKinnie** are shining shoes on the corner of Roxboro Street while **Floyd Monroe** shines shoes on Pettigrew Street. **Carol Johnson** has written a feature article on **James Muse** for losing such a great deal of weight in such a short time. **Marc Garrett**, **Melvin Page** and **Ike Barnes** are still members of Kool and the Gang and hanging at Cal Moore's. **Joyce Spach** has bought herself a brand new pair of blue jeans. The other pair decayed. **Beverly Howell** is modeling at Tonita's Weigh with her big bow legs. The store is now owned by **Amy Johnson** and **Pamela Ross**. **Robert Allen** is a member of the National Association of Girl Watchers. **Carlton Hirshi** has a permanent job at Krogers — he is now fulltime janitor instead of part time. **Ken Holsclaw** is a streetcar conductor on the East-West Expressway. **Herbert Bennett** is doing his share of traveling—his last tour was of Creedmoor, North Carolina.

Patricia Cheek and **Tim Pickett** are happily married and living somewhere between The Tropic of Capricorn and The Tropic of Cancer. **Lyda Teer** finally has a new car. It is a 1948 Maxwell Cadillac. **Brenda Barbee**, **Saundra Crawford** and **Vickie Hopson** are Airline Stewardesses for Eastern Airlines. **Madeline Ralston**'s hair has finally grown back since she got it cut in '72 to wear a shag. **Samuel Whitted** has just finished his reign as Mr. Hillside. **Alverata Green** is now Miss Afro-American Society, saying "Right On." **Phyllis Harrington** is twirling for Ringling Brothers Barnum and Bailey Circus. **Bonita Buie** has a Wig Boutique. **Veronica Hopkins** is publishing her own Mad Magazine. **Althea Boston** is a model for Ebody Magazine while **Gail McAuley** is a hair-styler. **Sherry Lunsford** is a Playboy Bunny. **Margaret Turner** is dean of Butner University. **Terry Lyons** is now a "Right On Reverend." **Lisa Blum** is growing herbs and spices for Campbell Soup. **Rosalyn Trice** is a Psychiatrist for all tired people. **Warren Kelley** is doing Corn Commercials for the Jolly Green Giant. **Rosalyn Umstead** and **Helen Redding** are Missionaries in Africa.

At NYU **Harold Williamson** is the instructor of wrestling. Sears Roebuck Company is finally moving to the top with Top Secretaries **Cheryl Ruffin**, **Cheryl Peace**, **Deborah Smith** and **Gisele Bounsell**. **Sheila Hill** is married and living in a big white house on Cheek Road. **Lewis Woodward** is now modeling for True Story Magazine. **Haywood Allen** is replacing Dr. Hardy on General Hospital. **Charles Watson** and **Beverly Perkins** are married and living in the middle of the Mediterranean Sea. **Meg Guttman** is tap dancing for Johnny Carson. **Julia Spearman** and **Frenchee Wiggins** are now singing "You've Got a Cousin."

As the crystal ball fades away I see that an airplane has been named for **Yvette Bryant** and is called the Big Bird. If it is the fastest flight out, I think that I will be catching it after you read this.

Nello L. Teer Company

Durham, North Carolina 27702

N. C. Mutual Insurance Co.

**He has a lot
of future
ahead of him.
Maybe.**

He's seven months old and counting on you—to hold him, love him, help him take his first step and say his first word.

You can do all these things. But, when it comes time to plan for his future, you may need some professional help.

Your North Carolina Mutual man knows what it takes to get the job done. He's an Achiever. Everyday he works with achievers like you, who want something more for their family. And their children's future.

With the right kind of planning any goal can be met. There's no maybe about it.
